Reading #1: Hayhoe, 2017, Pages 10-20
In thinking about the first reading:

a) what are one or two things that you learned?

b) What are one or two things that you would like to know more about?
1. Choose a photo from the essay that you would like to talk about and be prepared to share it with the class.

2. If you had the chance to speak to an individual from one of the photos, who would it be and what would you want to say?

3. What was something that you noticed on the third reading of the text that you didn’t notice in the first two readings?
Until next time!
